PROFILE

I am a motivated BCA student in my 7th semester with a strong passion for web development. I have hands-on experience in technologies like React, Tailwind CSS, HTML, CSS, JavaScript, and Node.js. Skilled in the MERN stack, I enjoy building dynamic and responsive applications that solve real-world problems. I am constantly learning and refining my skills, aiming to develop innovative solutions and contribute to impactful projects. With a focus on both front-end and back-end development, I am eager to expand my expertise and take on new challenges in the tech industry.
